GREETINGS! My name is \_\_\_\_\_

OR... GREETINGS! Our quartet name is \_\_\_\_\_

I'm/We're with the TWIN CITIES SINGING VALENTINES (CONSORTIUM?)

Twin Cities Singing Valentines is a **VOLUNTEER** organization with members from 4 different local area choruses:

- Minneapolis Commodores (based in Richfield)
- North Star Chapter - based in St Paul
- Twin Cities Show Chorus - based in Richfield
- Lake Country Chorus - based in White Bear Lake

2 are all male choruses with the Barbershop Harmony Society

2 are all female choruses with Sweet Adelines International

We started in 1980 with the Minneapolis Commodores chapter quartets wanting to give back something to their chorus to thank them for their support.

Both registered and pickup Quartets volunteer to perform singing valentines one day of the year - sometimes more for a small charge and donate the proceeds back to their chorus.

Each quartet takes the entire day off work,

- dresses in their "formal **valentine attire**"
- sings **2 songs**
- We used to give out **polaroid pictures** to each valentine. Now it's **digital** with recipients and friends using their phones

*[One quartet had an entire office turning their computers to face the quartet and sent it out to other offices to view along with the single recipient in the office]*

*[Another sang for a class and all they could see were the kids phones popping up all over]*

- Currently we may give out **candy** and a **rose** with a personalized **card** to each recipient on request.

It has since expanded/evolved to include several other area barbershop (a cappella) choruses

- both **male** and **female** quartets so we can **embarrass** both men and women recipients now
- Experienced quartets can offer a **6-song** package as well as the **2-song** package.
- This allows us to entertain an entire **business/senior lunchroom** or a class of **kids** or even a **restaurant** full of people... Often times, members will thank their "every Sunday breakfast" wait staff with a singing valentine ... entertaining the whole restaurant at the same time.

This year, some of our quartets are singing all 3 days, Friday, Saturday, and Sunday  
Valentines are available from 8am-8pm

And our proceeds go back to each chapter and they earmark the funds to support local youth music programs wherever possible. (So many arts/electives are disappearing now days)

We're still evolving and planning to add more FUN arrangements into our repertoire next year.

FUN EXAMPLES OF QUARTET EXPERIENCES:

Easy Listenin'	We sang for a senior citizen Valentine Luncheon. We started out in one lunchroom and ended up singing in 4 different places that day. We then got asked if we'd sing for a couple room-bound residents who were not very "aware". When we sang some of those older songs, their faces just light up and she actually sang along and knew all the words. The caregiver was astounded and told us that the woman hardly ever spoke any more.
Joyful Noise	One quartet had an entire office turning their computers to face the quartet and sent it out to other offices to view along with the single recipient in the office. The wife giving the valentine was also skyping into the call. When we sang "There I've Said it Again.... And Again... and Again!" and "Dream a Little Dream of Me" and then "I Don't Know Why I Love You Like I Do" both she and her hubby had tears in their eyes.
3 Nice Girls	Another sang for a class and all they could see were the kids phones popping up all over

Company's Coming	???
? Gary Jacobson	Sang valentines for his favorite breakfast wait staff at Roseville Buyerlys Restaurant to the delight of the entire restaurant. All the cooks and waitresses came out to listen.
Minnesota Go-4s	???
Top Secret	???
Note'Orious	???
Spice	Sang for my office co-workers at the answering service. Best reaction was when they saw their fellow, dumpy little co-worker all gussied up. They had no clue I even sang. They especially liked it when we embarrassed the "boys" a little at the call center and teased them with "You Must Have Been a Beautiful Baby"... all in good fun!
